

# Space Association of Australia Inc.

## Membership form

**Who are we?** The Space Association of Australia Incorporated is a non-profit, non-political group of people who are keen to learn about, and share with others, the excitement of space exploration. We aim to promote the peaceful exploration, utilisation and occupation of Outer Space.

The Space Association provides a forum for people who are interested in or involved with all fields of space research, exploration and utilisation. Membership is open to all who share our aims. Why don't you become a member of the Space Association of Australia?

**What do we do?** The Space Association holds monthly meetings and members receive The Space Association Newsletter before each meeting with details of what's on at the meeting and other interesting space news. An e-mail distribution list has also been established for those with Internet access.

**The Space Show on Southern FM** is weekly radio program bringing you up to date space and astronomy stories from around the world. Bought to you by the Space Association of Australia and presented by Andrew Rennie for Southern FM.

Listen from **7.05pm to 8.00pm** every **Wednesday** night on **88.3 MHz** for space and astronomy news, interviews and commentary.

**What else?** The Space Association organises special exhibitions, displays and lectures from time to time. We also arrange for members to visit aerospace facilities and other interesting places not normally seen by the general public. Social activities such as film nights and barbeques are also held throughout the year.

[www.space.asn.au](http://www.space.asn.au) Visit our site for the very latest updates on Space Association activities, meetings, media alerts, astronaut visits and more. Plus links to worldwide space and spaceflight related news organisations and agencies.
